## **Quickie Kidz Bike - Make the World Your Playground**

*The Kidz Bike is internally geared for virtually maintenance-free performance and comes in one-speed and three-speed models. The height-adjustable, flip-up footrests accommodate a variety of lower leg lengths. For quick transfers, the Kidz Bike features an easy-to-use sliding seat. Kids can stop at a moment's notice using the integrated coaster brake in a location that is easy to reach. Kids can head out with family and friends with the Kidz Bike.*
